## Garment and Sizing Information

Detailed size charts, garment and care information is available at [www.hipkraft.com/sizechart.php](http://www.hipkraft.com/sizechart.php)

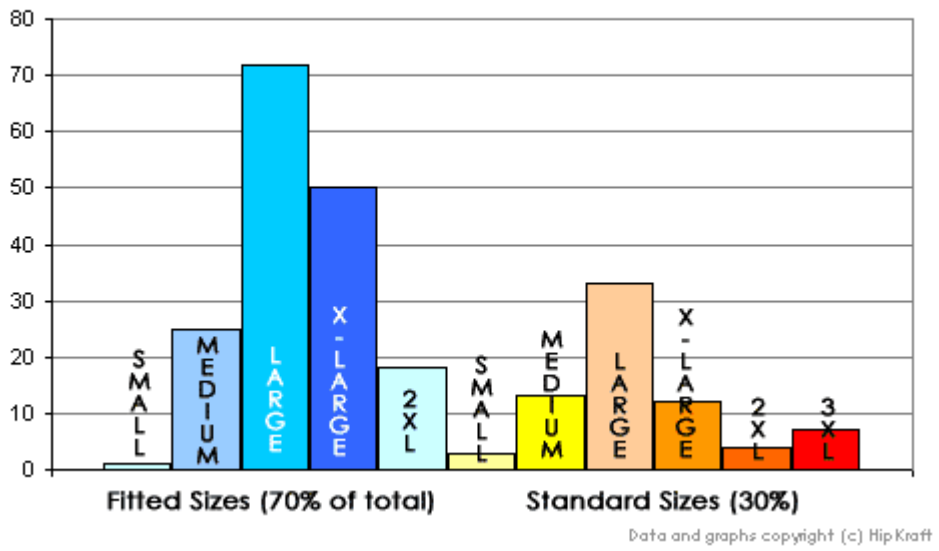

Please note that garments from different manufacturers use different size charts.

## Popular Sizes, Colors and Styles

This section gives you some insight into what styles, colors and sizes are most popular with our customers.

- Black shirts account for approximately 80% of all shirts sold;
- Fitted sizes account for 70%, Standard sizes 30%;
- T-shirt is the most popular style, followed closely by v-neck;
- In Spring/Summer, boy-beater tanks make up 25% of sales; in Fall/Winter, long sleeves make up 20% of sales;

**1. Popular Size Breakdown**  
Shows which sizes are most commonly ordered.

## FREE Customized Hangtags!

We can customize the apparel hang tags with your identity. Custom hangtags are complimentary on all orders at your request. Some examples of custom tags are shown below (the three on the right). Please send a high-resolution file of your logo by e-mail if requesting custom tags.
